Thanks for bringing Safavieh Couture into your home

Everything we make is incredibly simple to set up, including your new nightstand. You won't need any additional tools.

Parts List

A X 1
Cabinet

B X 4
Legs

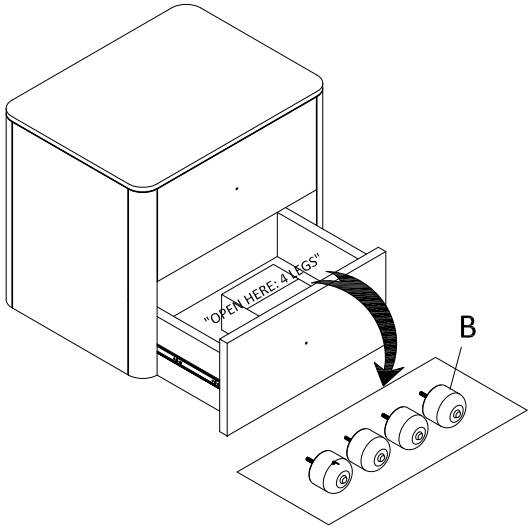

Hardware List

HW1 x 1
Anti-Tip Hardware

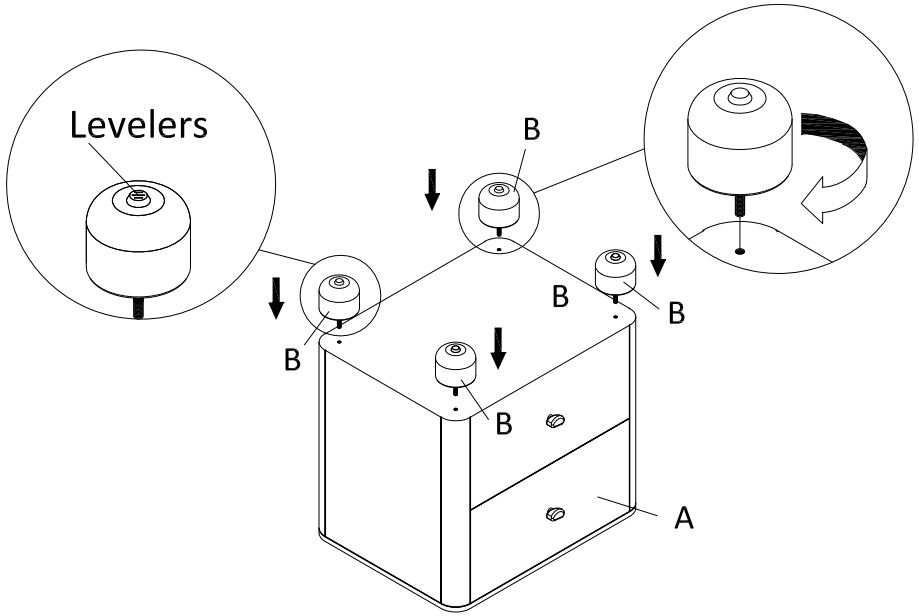

1

Open the drawer and remove the Legs (B).

2

Place the Cabinet (A) upside down on a soft and clean surface. Screw the 4 Legs (B) in a clock wise direction into the screw hole on the bottom of the Cabinet (A).

3

Turn the nightstand upright. Place the nightstand in the place where you will use it. Follow the installation instructions of the anti-tip hardware (HW1) to attach the nightstand to the wall. Adjust the levelers on the bottom of the legs as needed to make the table level. We'd love to see it -- just tag us (we're @safavieh) and use the hashtag #safavieh on Instagram!
