1

Place the dowel (HW1) into the whole on the leg frame (B).

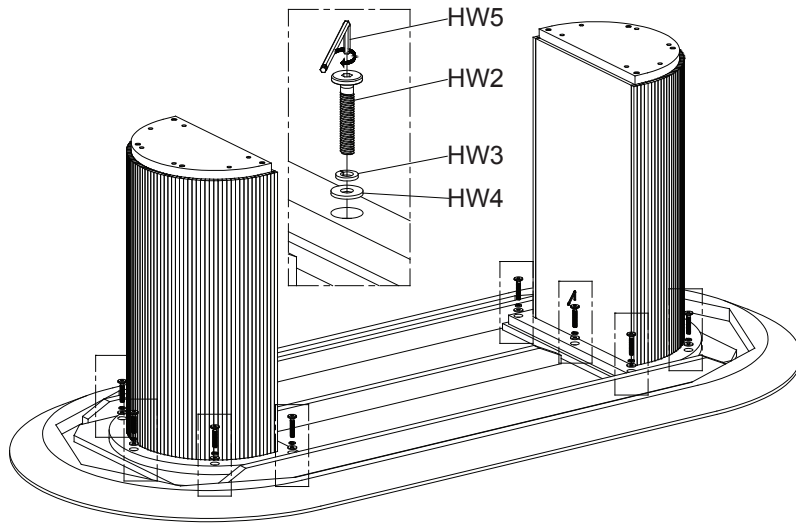

2

Using a second person to assist you, place the table top (A) upside down on a clean, scratch free surface. align the leg frames (B) with the corresponding holes on the table top (A).

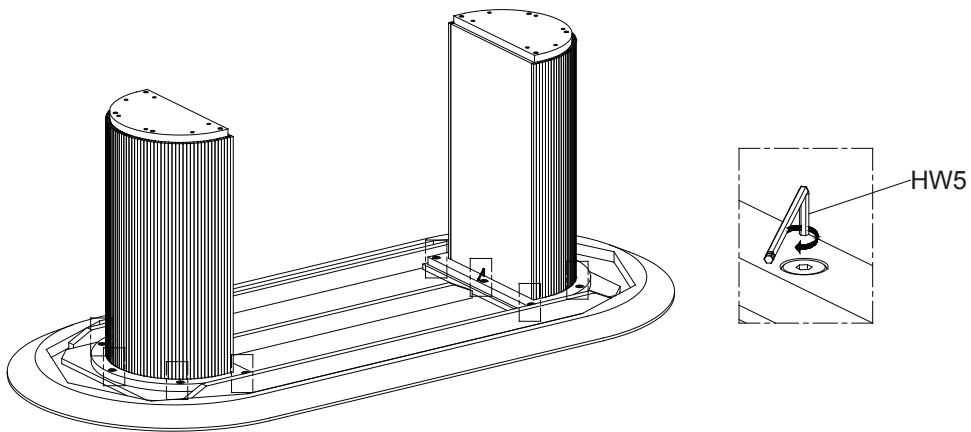

3

Attach the table top (A) to the leg frames (B) by using the allen key (HW5) to screw in the allen bolt (HW2) into the split lock washer (HW3), then the flat washer (HW4), then the table top, as shown. Do not fully tighten the bolts yet.

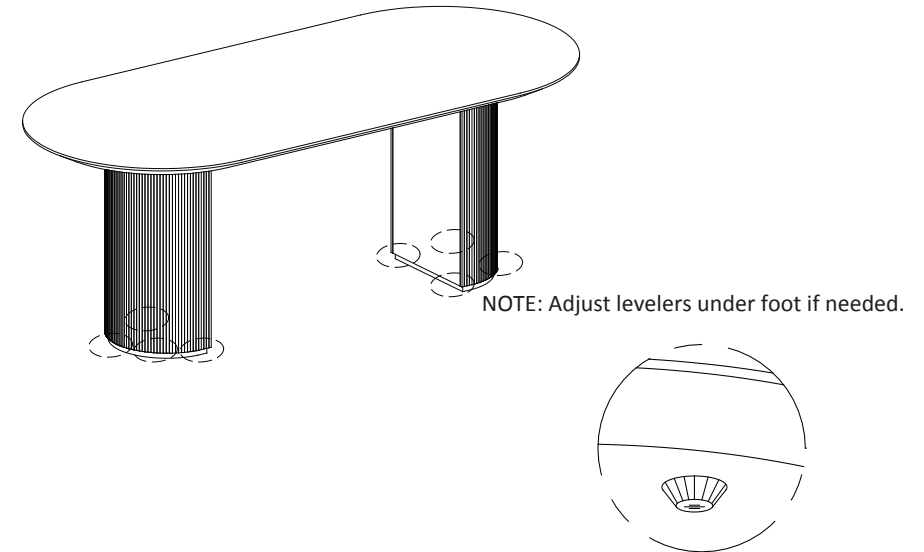

4

Once all hardware has been mostly screwed in, then use the allen key (HW5) to completely screw in the allen bolts (HW2).

5

Using a second person to assist you, carefully turn the assembled table upright.

6

Place the dining table in the position you will use it. We'd love to see it – just tag us (we're @safavieh) and use the hashtag #safavieh on Instagram!
